FRIDAY HARBOUR RESORT ANNOUNCES *LAKE SIMCOE STAYS* RENTAL PROGRAM

INNISFIL, ON, December 23, 2022 - Ontario's luxury lifestyle resort community, Friday Harbour will launch its professionally managed rental program, *Lake Simcoe Stays*, effective December 23, 2022.

Qualified Friday Harbour homeowners may have their suites voluntarily included in the program and opt-in with the assurance that they will receive a full service, turn-key approach to their properties including bookings, in-person arrival experience, suite cleaning, and more.

Guests who rent suites from *Lake Simcoe Stays* will receive exclusive benefits including discounts at Friday Harbour operated restaurants, the Nest Pro Shop, Harbour Master retail, and when participating in seasonal recreational activities.

Friday Harbour homeowners who wish to take advantage of the *Lake Simcoe Stays* management program can apply to be included after a suite standards review and audit process to ensure their properties meet the expectations of potential guests. A management fee will apply to all homeowners who join the program.

Minimum length of stay requirements are defined by each of the current six condominium corporations at Friday Harbour and will be strictly adhered to.

Guests will be able to browse and reserve *Lake Simcoe Stays* suites at FridayHarbour.com.
